The Omega Prize S. L. Millward 2010 This is a story which will make your heart sing - a story for all the family to read together. Young Judy discovers an unexpected package in her grandfather's old study. She has never met her grandfather (Poppy) as he died before she was born, but Judy is the one to unearth the puzzle which Poppy left for his family. To find the treasure which Poppy left, the family must first solve every riddle which he wrote on a beautiful scroll, and carefully wrapped in a rich purple

velvet bag. Unless they solve the puzzles, they won't find the treasure. See if you can solve the puzzles before the family does. What has Poppy left them as an inheritance? Have fun with the story and enjoy the Omega Prize at the end.

The Influential Product Manager Ken Sandy
2020-01-14 This book is a comprehensive and practical guide to the core skills, activities, and behaviors that are required of product managers in modern technology companies. Product management is one of the fastest growing and most sought-after roles by job seekers and companies alike. The availability of trained and experienced talent can barely keep up with the accelerating demand for new and improved technology products. People from nontechnical and technical backgrounds alike are eager to master this exciting new role. The Influential Product Manager teaches product managers how to behave at each stage of the product life cycle to achieve the best outcome for the customer. Product managers are under pressure

to drive spectacular results, often without wielding much direct power or authority. If you don't know how to influence people at all levels of the organization, how will you create the best possible product? This comprehensive entry-level textbook distills over twenty years of hard-won field experience and industry knowledge into lessons that will empower new product managers to act like pros right out of the gate. With teaching experience both from UC Berkeley and Lynda.com, the author boils down the most complex topics into principles that are easy to memorize and apply. This book methodically documents the tools product managers everywhere use to align their teams with market needs and organizational goals. From setting priorities to capturing requirements to navigating trade-offs, this book makes it easy. Not only will your product succeed, you'll succeed, too, when you read the final chapter on advancing your career. Let your product's success become your success!

Beyond Basic Dog Training Diane L. Bauman 1991-11-29 Beyond Basic Dog Training has, since its initial publication, achieved well-deserved recognition as an innovative guide to obedience instruction that is truly unique among books on the subject. Beyond Basic Dog Training makes a vital difference for those who read and use it and for dogs taught by it. This book shows how dogs learn, what they do with what they

learn, and how a stimulated canine mind, along with an untrampled canine ego, makes for a dog that is a constant joy to live and work with. The new edition presents the most current knowledge on canine learning patterns, and provides updated American Kennel Club obedience trial regulations, greatly expanded since the first edition appeared. The instruction in *Beyond Basic Dog Training* is behind Gaines "Superdogs," numerous obedience trial champions, and a host of canine successes. This is the book of choice for informed obedience fans. It can do for you and your dog what it has done for them and theirs. *A Howell Dog Book of Distinction*
