If you are thinking about purchasing and owning a dog for the first time it is recommended to get a breed who is easily trained, obedient, affectionate and generally low maintenance. While any breed of dog can work out perfectly fine as a pet for a first time dog owners, some breeds are far better suited for first timers. It is important to note that all dogs are individuals within a breed and their personalities and

needs can vary greatly. It is also important to remember that if you, and your family, are set on a specific breed that is not on this list it is still perfectly fine to purchase.
