The Complete Christian Guide to Understanding Homosexuality Joe Dallas 2010-07-01 One of the hot-button issues of our day is fully addressed in this comprehensive new resource on homosexuality. This well-researched and highly readable guide is the perfect go-to manual for families, church workers, counselors, pastors, civic leaders, schools, and those who themselves struggle with same-sex attraction. Readers will find the answers to these and many more important questions: What is homosexuality? Is the tendency for homosexuality genetic? How should the church respond? What's the proper response when a relative or friend announces they're gay? What are the legal and civic ramifications of homosexuality? Should homosexuals serve openly in the military? What about gay marriage and adoption? Authoritative authors Joe Dallas (*Desires in Conflict, When Homosexuality Hits Home*) and Dr. Nancy Heche (*The Truth Comes Out*) tackle the hard questions about same-sex attraction in this helpful volume.

You Got This, Dad Aaron Sharp 2020-02-04 What to Expect When You're Your Wife Is Expecting Pregnancy books for couples abound, but You Got This, Dad is just for guys. Aaron Sharp, a dad of four, draws from his experiences to help husbands, especially first-time dads, navigate the amazing, uncertain, and sometimes scary process of pregnancy and childbirth. With self-deprecating honesty, plenty of humor, and amusing asides from his lovely wife, Elaina, Aaron steers soon-to-be dads through the complex events and emotions surrounding pregnancy. From finding out their spouse is expecting to bringing baby home, husbands will be equipped to handle whatever the next nine months (or their wife) throws at them. Guys will receive not only practical guidance but also a better appreciation for God's miraculous gift of a new life to care for. When they know what to expect and how to support their wife, new dads will gain confidence and learn to laugh at their foibles. Give this guide to an expecting father with a reassuring smile and remind him, "You got this."

Dallas' Best Tour Guide Therlee Gipson 2014-05-17 Welcome to Big "D" I published this book: "Dallas' Best Tour Guide (Together We Live)" to inform all people how proud I am of Dallas. Over the last forty plus years that I've lived in this area I fell in love with Dallas because Dallas overcame racial divide and came together to make our Community a better place for all people to live in peace, harmony and the freedom to enjoy their lives without the fear of oppression. Dallas has one of the best Police Department record in the United States protecting their Citizens against police corruption and crime from other Citizens. The pioneer

founder of Dallas, John Neely Bryant had a vision on the banks of the Trinity River what Dallas would some day become. Today that vision has materialized and became a reality. Dallas is unique in her location, a landlocked City. Still became blessed that all people from all walks of life wanted to settle here and had the motivation to have the "Can Do" attitude to be the best they can be and strive to meet that goal. Some of the greatest inventions in the World were created in Dallas by men who came together without being selfish and share ideas that developed into great wonders and successes. Dallas has over 500 Corporate Headquarter Offices that are located in the area. What a feat to attain. I selected the finest minds and most influential leaders in Dallas that I could find. I researched by reading written documents on anyone that I could think of from public information on them and put them in my book. The finest citizens are considered one of the Nation's highest honors since the founding of the United States during the American Revolution by John Adams, John Hancock, James Bowdoin and other scholar-patriots who contributed prominently to the establishment of the new Nation, its Government, and its Constitution. This is something we should all be proud of. Future generation should be reminded in history where Dallas came from and what Dallas has contributed to Society. Dallas is one of the most beautiful City in the entire World because we take pride in our City and keeps it clean from graffiti and trash on our major arteries. Dallas is very business and consumer friendly, where all people can invest in their future, live together in harmony, peace and prosper from all walks of life. This book is an excellent gift to give to a neighbor, friend or a love one. Dallas has many secrets and I found most of them. So start your journey and see if you can find more. Carry this book with you everywhere you go (keep it in your automobile). Therlee Gipson

Ad Astra: An Illustrated Guide to Leaving the Planet Dallas Campbell 2017-10-05 'I could have done with a copy of Ad Astra in December 2015!' -Tim Peake 'A wonderful, wise and witty guide for space explorers everywhere.' - Richard Osman 'A must read both for intrepid space explorers and misty-eyed dreamers. Now, to space!' - Hannah Fry 'Few people are more knowledgeable, celebratory and witty about space travel than Dallas Campbell.' - Adam Rutherford Need some space? For almost all human history we've been firmly rooted to the Earth. And, sure, it's got some good things going for it: nice views, friendly inhabitants, good coffee. Air. But what if you want to get off? Whether you've got itchy feet and need a bit of a break, or you're looking for a complete change of scene, this book has all the information you'll need to leave, with FREE expert advice from the men and woman who can actually make it happen. Do I need a passport? How do I know if I have the right stuff? Can I take my dog? What spacesuit do I need? Where am I going to go? What am I going to eat? As well as being a deeply impractical guide to getting off the planet, this is an eclectic and beautifully illustrated mix-tape of space travel stories - both real and imagined. From the migrating lunar geese that flew us to the moon in the 1600's, to Elon Musk's wild plan to get humans to Mars en masse in the future; from the history of early rocket science to the Soviet tortoises that secretly won the space race. A collection for anyone who has looked up in wonder at the stars... And then wondered how to get there. 'The next best thing to actually heading off into space.' - Jim Al-Khalili 'Few people are more knowledgeable, celebratory and witty about space travel than Dallas Campbell.' - Adam Rutherford 'If, like me, you dream of going into space, this is definitely the place to start the journey.' - Dan Snow 'A must have volume for astronauts and armchair astronauts alike.' - Helen Sharman OBE 'Funny, factual and beautiful.' - Shaun Keavney 'Read it, make notes, and be ready when the day comes.' - Helen Czerski *National Guide to Funding in Health* Foundation Center 2003

An Owner's Manual for Consciously Evolving Your Consciousness Don McCrea-Hendrick 2022-08-01 This Owner's Manual provides you with detailed ways to Consciously Evolve Your Consciousness while addressing other important related issues: The Brain and How to Use It, The Law of Giving and Receiving, How to Meditate, How to Chant Nam Myoho Renge Kyo, Wishing People a Happy Life, The Probability of Being Born, Spiritual Philosophy, Neuroscience and Neurogenesis (how to grow new stem cells), Evolution of the Subconscious Mind. By the time you read this Owner's Manual, you will be on your way to evolving your own consciousness. Included with this Owner's Manual is the novel *Romancing the Absurd*, a story of redemption for two of the characters who dabble in consciously evolving their consciousness. When financial investigator Tony T. Trueblé is hired to interview key players in a major lawsuit against a venture capitalist group, his world is turned upside down as he is dragged through a seedy underworld of corruption, dishonesty, and murder. He must not only get the job done but do so without giving into his insatiable cravings for vodka, weed, and causal, meaningless sex. Sensational, satirical, and sometimes absurd, *Romancing the Absurd* is a literary murder mystery full of intrigue, suspense, philosophy, and absurdist cutthroat behavior. Nine people die under bizarre circumstances. A handful of people get screwed (in more ways than one). The story takes humorous and philosophical twists and turns, leaving you laughing at the murderous tactics some folks are willing to use to get ahead in this world. Throughout the story, there runs an undercurrent of reflection, hope, and redemption for Tony, who strives to right his wrongs, and Jim der Bacon, accused of murder yet able to focus on consciously evolving his own consciousness. For Tony, redemption comes through writing and his new awareness that one can consciously evolve their consciousness. *Romancing the Absurd* is the final result of Tony's studies, hard work, and shocking struggles with himself, others, and the universe at large. Based on real-life venture capitalists, businessmen, and lawyers, the story is structured using reinvented reality.

Kinky Friedman's Guide to Texas Etiquette Kinky Friedman 2009-10-13 Well, butter my butt and call me a biscuit! Delivering belly laughs, hee-haws, and downright slackjaw amazement, this hilarious guide to the homeland of George W. and Willie Nelson is the essential how-to for surviving in the Lone Star State. From strange Texas laws and the history of Dr. Pepper to "Texas Talk" (in which a "turd floater" is a heavy downpour) and final-meal requests by death row inmates, Kinky Friedman, "the oldest living Jew in Texas who doesn't own any real estate," provides an insider's guide that will be loved by native Texans and the rest of us poor devils alike. Even if you don't know the difference between an Aggie and an armadillo -- or what's really in the back on Willie Nelson's tour bus -- you can pass for a Texan with the Kinkster's expert coaching. So grab your hairspray and the keys to the Cadillac and get reading!

The WPA Guide to Texas Federal Writers' Project 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. Equaling the massive size of the state, the WPA Guide to Texas is just as expansive at 716 pages. From the Panhandle to the Rio Grande Valley, The Lone Star State's landscape is as varied as its political and cultural past. Having been under the control of six different nations' flags, the history section is particularly rich. The guide also includes a helpful list of books about the state.
