Shadow Pawn Shadow Sisters
2021-05-30 He'd spent his career hiding in shadows. Now they want to send him back into them. The question is, who are they? Is this job his saving grace or has he just made a deal with the devil? When the military makes Navy SEAL sniper Adam Nichols their sacrificial lamb just two years shy of his retirement, he has no more reason to follow their rules. So they offer the shadowy figure representing an

undisclosed organization makes him look pretty good. In exchange for more money than he ever made working for the command that betrayed him, Adam is to use any means necessary to free an American woman held hostage in China, without backup and without causing an international incident in the process. With the promise of possible redemption, in addition to his obsession with the intriguing damsel in distress who kicks his protective side into high

gear, his choice is clear. But who is the tawny-skinned, sophisticated, captive beauty in the photo who rouses feelings he's long denied? The impeccably dressed, ebony-haired stranger with the intelligent yet secretive golden-brown eyes who seems so completely opposite from his own beastly rough nature. He's to rescue her, and protect her, and nothing else. Easier said than done. And after he does free her, is he handing her over to the good guys, or the bad? Or, perhaps, she's the one he should be worried about. He only knows one thing for certain—a SEAL who's lost the ability to trust his gut instincts is, quite simply, lost.

Good To Be Bad Lauren Blakely 2021-04-24 It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more

Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in...

Her Second-Chance Hero

Falling for my Brother's Best Friend Piper Rayne

2019-02-20 Let's say you're an independent, self-sufficient woman who runs the family company and you find yourself falling for your little brother's best friend. Now, more than ever, you need to count all the reasons why you need to abandon falling. Abandon Falling #1 - He's a womanizer. Hasn't had a serious relationship a day in his life

and changes women more often than he changes his sheets. Abandon Falling #2 - He's never serious. He cracks one-liners, mostly at your expense. Abandon Falling #3 - When things go wrong, he seems unfazed and always remains in control. It's so annoying. Abandon Falling #4 - He has tattoos. Lots of them. Everywhere. Not to mention, he owns a tattoo parlor. (Damn it! Why doesn't that sound like a bad thing anymore?) Abandon Falling #5 - There's a growing list of how different you two are. You can't get along for fifteen minutes—a lifetime together would land one of you in prison. Keep repeating those reasons and drown yourself in work. Pretend you don't notice his good qualities or how enticing he looks without a shirt, and do not, I repeat, do not agree to live with the man while your place is being repaired from flood damage. Trust me, even the strongest of us can only forego temptation for so long.
