Anderson's Travel Companion Compiled by Sarah Anderson 2016-12-05 A selection of the best in travel writing, with both fiction and non-fiction presented together, this companion is for all those who like travelling, like to think about travelling, and who take an interest in their destination. It covers guidebooks as well as books about food, history, art and architecture, religion, outdoor activities, illustrated books, autobiographies, biographies and fiction and lists books both in and out of print. Anderson's Travel Companion is arranged first by continent, then alphabetically by country and then by subject, cross-referenced where necessary. There is a separate section for guidebooks and comprehensive indexes. Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects. She is known by well-known travel writers such as Michael Palin and Colin Thubron. Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse, among others, made suggestions for titles to include in the Travel Companion.

The Rough Guide to Beijing (Travel Guide eBook) Rough Guides 2017-06-01 The Rough Guide to Beijing is the ultimate travel guide to China's remarkable capital city. From the majestic Forbidden City and maze-like hutong alleys to gorgeous lake-filled parks and the exquisite Summer Palace, this vibrant book - packed full of stunning photography and clear, colour-coded maps - reveals the city's best sights and attractions. And if you fancy taking a trip outside of Beijing, you'll be pointed in the right direction: incredible treks around the Great

Wall, ancient villages, imperial hunting parks and fascinating, offbeat museums are all part of the mix. Comprehensive sections detail the very best places to sleep, eat, drink, shop and unwind: check out our author picks and "Beijing's Best" boxes, selecting atmospheric courtyard hotels, stylish bars, edgy art galleries, lively antiques markets, and much more. Expert reviews on film, literature and live music create a rounded and exciting picture of modern Beijing. However long you're staying, and whatever your budget, The Rough Guide to Beijing has you covered.

Beijing Walks Don Cohn 2008 This book presents six detailed walking tours of the most important historic quarters of the Chinese capital--the Forbidden City, the former Legation Quarter, Beihai Park, the Temple of Heaven, the Confucius Temple, and the Summer Palace.

The Odyssey of China's Imperial Art

Treasures Jeannette Shambaugh Elliot

2015-07-16 The Odyssey of China's Imperial Art Treasures traces the three-thousand-year history of the emperor's imperial collection, from the Bronze Age to the present. The tortuous story of these treasures involves a succession of dynasties, invasion and conquest, and civil war, resulting in valiant attempts to rescue and preserve the collection. Throughout history, different Chinese regimes used the imperial collection to bolster their own political legitimacy, domestically and internationally. The narrative follows the gradual formation of the Peking Palace Museum in 1925, then its hasty fragmentation as large parts of the collection were moved perilously over long distances to escape wartime destruction, and finally its formal division into what are today two Palace Museums—one in Beijing, the other in Taipei. Enlivened by the personalities of those who cared for the collection, this textured account of the imperial treasures highlights magnificent artworks and their arduous transit through politics, war, and diplomatic reconciliations. Over the years, control of the collections has been fiercely contested, from early dynasties through Mongol and Japanese invaders to Nationalist and Communist rivals— a saga that continues today. This first book-length investigation of the imperial collections will be of great interest to China scholars, historians, and Chinese art specialists. Its tales of palace intrigue will fascinate a wide variety of readers.

China Charis Chan 2008 Home to one-quarter of the world's population and heir to the richest civilization in history, China exerts a magnetic attraction on visitors.

Australia's China Odyssey James Curran

2022-08-01 Australia's relationship with China is one of the dominant geopolitical stories of our times. The need to understand the tectonic forces of history moving beneath the surface of these critical events has never been more pressing. In *Australia's China Odyssey*, acclaimed historian James Curran explores this crucial and complicated relationship through the

prism of the prime ministers who have handled relations with Beijing since Whitlam in 1972. Much recent analysis assumes that managing China has been difficult only since 2017. Yet this relationship has always been difficult. And while there have been moments of euphoria and uplift – moments, even, when some believed Australia could have a 'special relationship' with China – high anxiety and fear have often trailed closely in that slipstream. This book provides historical ballast to a debate so often mired in the parochialism of the present. The task of adjusting to China's rise is the greatest challenge Australian diplomacy has faced since Japan's revisionist attempts to remake East Asia in the 1930s. Ultimately, while China under Xi Jinping has indeed changed, and while there is justifiable alarm concerning the course of Beijing's aggressive and authoritarian nationalism, *Australia's China Odyssey* asks whether we have the courage to look in the mirror and see what this debate also reveals about Australia. Reflecting on the 2022 change in government in his postscript, Curran tackles an even harder question: the future of Australia's China policy. 'A first-class historian who knows a good story, Curran raises the titillating question of today: Where will this lead Australia?' — Jane Perlez 'Absorbing and compelling...written with flair and balance.' — Peter Varghese 'A sharp analysis of contemporary events interwoven with a deep sense of the historical threads.' — Dennis Richardson 'Yes, you must read this.' — John McCarthy

China's Imperial Way Kevin Bishop 1997-01-01

This is the first book to examine the road that ran from Beijing in the north to Guangdong province in the south, and was used for over a thousand years by merchants, soldiers, missionaries, and diplomats. Kevin Bishop traces the route and shows us what it was like during its heyday, as well as today. A fascinating journey, splendidly illustrated with full-color photographs and maps throughout.

The Rough Guide to Beijing Simon Lewis 2013-10-31 The Rough Guide to Beijing is the ultimate insider's guide to China's fascinating capital. With the extravagant 2008 Olympics marking the city's triumphant return to the global stage, the city now draws thousands of visitors a year by offering world-class hotels, fashionable restaurants and the coolest clubs alongside fantastic historic sites that remind us of the thousands of years it has spent at the heart of the Chinese empire. Both the popular and less well-known sights are covered in The Rough Guide to Beijing; from avant garde architectural projects (the new CCTV Tower), to hip bar district Nanluogu Xiang, and the achingly cool arts districts of 798 and Caochangdi. But the guide goes beyond the trendy, revealing the best places to eat and the best places to stay, ranging from charming youth hostels and courtyard boutique hotels to the most luxurious business behemoths. When the pace of the city gets too frenetic, the guide provides all the information you need to plan great daytrips, from the magnificent temples of Chengde to the grandest and most secluded stretches of the Great Wall. Easy to read maps are provided throughout the guide, plus there's a handy colour subway map, and the pinyin and Chinese characters are given for all destinations. Make the most of your time on earth™ with The Rough Guide to Beijing. Originally published in print in 2011. Now available in ePub format.

Fictional Authors, Imaginary Audiences

Bonnie S. McDougall 2004 The authors and audiences for 20th century Chinese literature, especially fiction, are examined in a fresh light. While modern Chinese fictions are imaginary in

that they do not constitute reliable portraits of Chinese life, they offer insights into the writers themselves and their implied audiences.

Books in Print 1991

Asian and Pacific Islander Americans Daya Singh Sandhu 1999 Scholars of psychology, education, social work, and counseling examine such topics as transracial adoption, women's issues, substance abuse, and the racial experiences of 43 different ethnic groups often statistically lumped together. Among the specific topics are Asian Indian women's bicultural experience, political ethnic identity versus cultural ethnic identity, ethnic variations in the adaptation of recent immigrant Asian adolescents regarding, and sexual abuse.
