**Crazy Dangerous** Andrew Klavan 2012 Sam Hopkins fights back when he sees bullies harrasing Jennifer, an eccentric schoolmate who, he learns, is having terrifying hallucinations about demons, death, and destruction which may just come true unless Sam can stop them.

**Similitude in Engineering** Glenn Murphy 1950

Calculating Instruments and Machines Douglas R. Hartree 2012-09-27 Originally published in 1950, this book was based on a short series of lectures given by the author at the University of Illinois in 1948. Aimed at the non-specialist, the chief aim of the text was to provide a general introduction to contemporary developments in the field of calculating instruments and machines. But there is some treatment of the historical side of the subject, with appreciation shown for the vision and foresight of key pioneers Charles Babbage and Lord Kelvin. This is a concise and informative volume that will be of value to anyone with an interest in the development and history of computation.

*Warm Beer, Lousy Food* John S. Columbia 2009-12 The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and Warm Beer and Lousy Food was the place to be.

**School and Community Relations** Edward H. Moore 2013-08-02 For prospective and current educational administrators learning about school and community relations. A well-researched text that presents school officials with information on how to establish effective relationships in the school community. This best-selling text provides school officials with a practice guide to successfully implementing effective communication with their staff and the community - while also providing readers with the research that explains how each strategy will improve school quality, community participation, and student learning. The School and Community Relations is organized in such a way that students learn how to establish a working community relations program in an easy-to-understand and step-by-step fashion. In addition, the text's authors are comprised of experienced practitioners and educators that have gained their knowledge and tested their strategies in school systems around the country.

Renegade Descent J. N. Chaney 2019-06-15 The Celestial War has arrived. Captain Hughes and his team of rebels have created a shaky alliance with the same government that sought to end them, but even that might not be enough. In order to combat the Celestial threat, Jace will need to convince the Sarkonian Emperor to not only join his cause but lend him the resources he needs to overpower the enemy. The battle for tomorrow will take more than any single empire can manage. Each side will have to learn to work together if they ever hope to overcome their shared enemy, but allies are not easily made from enemies, and not everyone will be as eager to stand side-by-side. With allies like the Union and the Sarkonians, who needs enemies? Experience the continuation of this sprawling galactic tale in the eleventh entry in the Renegade Star series. If you're a fan of Firefly, Battlestar Galactica, or Indiana Jones, you'll love this space opera epic.
