*The Concise Bedford Guide for Writers* X. J. Kennedy 2014-01-10 Built on the tradition of the bestselling textbook The Bedford Guide for College Writers, this new brief edition retains the authors' process-oriented approach to college writing and focus on active learning. The streamlined guide introduces students to the most commonly-assigned writing strategies and situations and to the essentials of college-level research and documentation. The reader, located online, takes advantage of all the Web has to offer, giving students access not only to essays by well-known authors but to innovative, engaging multimodal texts that contribute to the guide's emphasis on visual literacy. Hands-on "Learning by Doing" activities, available both in print and online, actively engage students in the writing process with the goal of developing skills

transferable to higher-level courses and the workplace.

J. Kennedy 2013-10-25 Both reliable and innovative, The Bedford Guide for College Writers involves students in active learning,

whether their writing class meets on campus or online. The guide contains a process-oriented rhetoric, a thematic reader, a research manual, and a handbook, giving students everything they need for success in writing, all in one affordable book. Each part provides frequent opportunities for students to experiment and apply the skills presented. Learning by Doing activities, Responding to an Image practices, and engaging assignments all help students make important writing skills their own. The Bedford Guide helps students to be the confident, resourceful, and independent writers they will need to be. The new edition extends active learning into the online environment, offering integrated e-Pages, including videos, audio segments, and photo essays that take advantage of what the Web can do.
