Contemporary American Religion Penny Edgell
2000-01-01 No single narrative or theory can describe the varieties of religious experience in North America today. The tidy dichotomies of liberal/ conservative, public/private, local/global, and renewal/secularization make little sense once specific congregations are examined closely. To understand the

shifting boundaries of contemporary religious expressions, new tools are needed. Contemporary American Religion collects qualitative, on-the-ground studies of local congregations by up-and-coming religious scholars. Ethnography combined with more traditional sociological methods, help make sense of complex religious communities—from Messianic Jews to evangelical

feminists, from Gospel Hour at a gay bar to exurban megachurches. This collection covers a wide span of the religious landscape, always trying to uncover new theoretical insights. Essential reading for classes in sociology of religion, contemporary American religion, and anthropology of religion. Catalog of Copyright Entries. Part 1. [B] Group 2. Pamphlets. Etc. John's Transformation of

Mark Eve-Marie Becker
2021-03-25 John's Transformation of Mark brings together a cast of internationally recognised biblical scholars to investigate the relationship between the gospels of Mark and John. In a significant break with the prevailing view that the two gospels represent independent traditions, the contributors all argue that John both knew and used the earlier gospel. Drawing on recent analytical categories such as social memory, 'secondary orality,' or

'relecture,' and ancient literary genres such as 'rewritten Bible' and bioi, the central questions that drive this volume focus on how John used Mark, whether we should speak of 'dependence,' 'familiarity with,' or 'reception,' and whether John intended his work to be a supplement or a replacement of Mark. Together these chapters mount a strong case for a reassessment of one of the key tenets of modern biblical criticism, and open up significant new avenues for further research.

Behind the Lilac Hedge W.

Becker 2015-01-28 The widowed Chief of Police is unaware that his orphaned, seventeen year old ward Baylee, and her best friend CJ, hear him talking on his cell phone to a local drug dealer. His plan is to drug Baylee and force her into marriage in order to obtain half of her fifteen million dollar inheritance. Baylee runs away, planning to live on the street for two months until she reaches the age of eighteen when she can escape her

guardian's control. No one, not even CJ or Baylee's boyfriend Mark, know where Baylee is living. While living on the street Baylee befriends Echo, another homeless girl, and the two become friends. They discover that life on the streets is filled with danger and uncertainty as they witness a drug bust gone bad. When Baylee finds herself at the mercy of two thugs who accost her on the street, she has to defend herself the best way she can. Will God manifest His presence in these girls' lives, even in the face of diversity; and will Baylee recognize God's divine plan for her, and be willing to follow where He leads, even if it comes at a high price?

Strength Through Weakness

Greg Becker 2018-08-09 For most of his adult life, Greg Becker persevered through multiple health issues resulting in friends often telling him that he should write a book. In November, 2012, he formed the outline that would become his autobiography. Greg's nightly at-home dialysis

treatments made sleep difficult, so he soon became consumed with typing his memoir throughout the nights on his iPad. His book was finished in a mere six weeks. Less than a month later, on the evening of his 56th birthday, he asked his wife to take him to the emergency room, a trip they had made many times before. Shortly after midnight, Greg went into cardiac arrest and was gone a few hours later. God's providence was evident in the writing of Greg's book just as it was throughout his entire life. This book is the culmination of a lifetime of events that Greg prayed would be used to glorify God and encourage the reader.

Humility Illuminated Dennis R. Edwards 2023-11-07 Tracing humility through Scripture, Dennis Edwards addresses common areas of leadership failure, applies biblical texts on humility to multiethnic ministry and justice work, and issues a compelling challenge to the church. Humility is not a tactic, and it's not just "being nice." It's a revolutionary path to

follow the footsteps of Jesus. *Exotheology* Joel L. Parkyn 2023-08-31 Since antiquity, theology has frequently gone hand in hand with the study of the heavens. Speculation regarding the plurality of worlds, and the possibility of intelligent life beyond Earth, has posed questions for, and been stimulated by, Christian theology. Advancements in astronomy and astrophysics now reveal a vast universe containing trillions of galaxies. Each new exoplanet discovered brings with it a new context in which to consider the place of humanity, and the role of divinity in relation to creatures. In particular, the Christian doctrines of the incarnation and redemption must be understood afresh in light of the likelihood of extraterrestrial life. In *Exotheology*, Joel L. Parkyn examines the twin historic developments in scientific and theological thought on extraterrestrials from antiquity to the twenty-first century. In doing so he demonstrates a consistent pattern of

theological formulations that allow for a distinct relation between Christianity and extraterrestrial life, but this has so far been without sufficient resolution. Applying concepts from anthropology, psychology and sociology to putative extraterrestrials, he explores in new depth the implications of contact, and argues for a 'divine pedagogy' of potential modalities of supernatural presence and action with extraterrestrial intelligences.

Twentieth-Century Lutheran Theologians Mark C. Mattes 2013-08-14 This collection of essays examines important twentieth-century Lutheran theologians, including European and North American voices. Each essay provides an overview of the life and thought of important confessional Lutherans who shaped theology with an ecumenical, world-wide impact.

The focus here is not on later twentieth-century figures but earlier ones, selected similar to the spirit manifest in Karl Barth's contention »lest we forget where contemporary theology came from« (Protestant Theology From Rousseau to Ritschl). The essays composed over the last five years were initiated by Lutheran Quarterly in order to assess our recent past as we move into a new millennium. The goal of each author, each a leading theologian, has been to describe each thinker's life and vocation and how each thinker's work continues to impact theology today.

The Birth of Christian

History Eve-Marie Becker

2017-08-22 The first

comprehensive account to

explore the beginnings of early

Christian history writing,

tracing its origin to the Gospel

of Mark and Luke-Acts When

the Gospel writings were first

produced, Christian thinking

was already cognizant of its

relationship to ancient

memorial cultures and history-

writing traditions. Yet, little

has been written about exactly

what shaped the development

of early Christian literary

memory. In this eye-opening

new study, Eve-Marie Becker

explores the diverse ways in

which history was written

according to the Hellenistic

literary tradition, focusing

specifically on the time during

which the New Testament

writings came into being: from

the mid-first century until the

early second century CE. While

acknowledging cases of historical awareness in other New Testament writings, Becker traces the origins of this historiographical approach to the Gospel of Mark and Luke-Acts. Offering a bold new framework, Becker shows how the earliest Christian writings shaped "Christian" thinking and writing about history.

In View of Eternity Maryann

Bouco 2022-10-21 This story is more than just a good story; it's a teaching tool with some very valuable lessons for people who are not saved and people who think they are saved and do not have a relationship with God. It is about a young, inexperienced pastor who gets his whole worldview completely turned on its head. The story is told in the first person by the main character, so the reader can clearly see into the heart of this young man as he goes through all his experiences. The end result of his journey is a much deeper understanding and relationship with the Lord. In his transformation, he learns to see his life and his struggles through the lens of the Almighty, Eternal God. And as the reader is drawn into the story, he or she sees what it looks like when biblical precepts are applied to life situations and a personal relationship with the Lord is developed.

Guided Bible Studies for Hungry Christians Joanne

Holstein 2004 "001

Foundation" is the first book in

the Becker Bible Studies series for hungry Christians. It contains 1,057 Biblical workbook questions, each having Biblical references to support the answers. All lessons progress from simple statements of fact to new and difficult concepts, and are followed by tests written to enrich and challenge the learning process. A readable and comprehensive workbook for both teachers and studies. Although it is possible to use "001 Foundation" for self-study, it is recommended for most students to receive instruction through a teacher, most often in a home setting. The gathering of Christians to learn the Word of God in a setting most conducive to growth, guided by a teacher and in the presence of the Holy Spirit, is the ideal environment for this study of "001 Foundation" to nourish. It is imperative that serious Bible students who are hungry for the Word of God start their study with a solid foundation so everyone is on the same page. Since it is impossible to

determine any gaps or misinformation in the foundation of a person's spiritual knowledge, growth, and faith, this first book lays the foundation before the in-depth Bible studies take place. With many more books to follow upon which to build one's spiritual knowledge and faith, "001 Foundation" is the first one with which to get started.

Nineteenth-Century Lutheran Theologians

Matthew L. Becker 2015-12-09
This collection of essays, a companion volume to the book, *Twentieth-Century Lutheran Theologians* (Vandenhoeck & Ruprecht, 2013), examines important nineteenth-century figures from the perspective of contemporary European and North-American scholars. Each essay provides an overview of the life and central ideas of a key Lutheran/Protestant theologian who has had a significant impact on theological reflection down to the present. The focus here is on those thinkers who were active between 1799 (the year

when Schleiermacher's *Speeches* appeared) and the First World War. These are individuals who deserve repeated examination, whose insights are still worth pondering today, and whose theological positions help us to understand better "where contemporary theology has come from" (Karl Barth). All of the essays were initiated by the journal *Lutheran Quarterly* in order to assess our theological heritage as we move further into a new millennium. The goal of the authors, each a leading theologian, has been to describe a given thinker's life and vocation and how that person's work continues to impact theology today.

From the Treasure-house of Scripture Kenneth Michael Becker 2002 From the Treasure-House of Scripture presents the first comprehensive assessment of the relation between the Latin Bible and the text of the highly influential late-medieval devotional manual known as De Imitatione Christi (The Imitation of Christ). Consisting of a detailed analysis of

scriptural sources in The Imitation, this work contains the complete Latin text of The Imitation juxtaposed against 3815 Vulgate source texts. Included are some 2600 sources collated from citations in seventy editions of The Imitation, and some 1200 sources newly identified in this study. A collation is presented of explicit statements in The Imitation on 'Scripture' and aspects of lectio divina ('prayed reading'). The textual analysis highlights several aspects of the relation between The Imitation and the Vulgate. First, some fifty 'forms of usage' of scriptural passages in The Imitation are described. Secondly, some three hundred scriptural passages important in informing the overall content of The Imitation are identified. Thirdly, the role of scriptural sources in helping to shape the ascetic character of The Imitation is discussed. Background information is presented on the content, authorship and influence of The Imitation; the Devotio moderna ('New Devotion' or

'Modern Devotion') movement; the life of Thomas a Kempis; the role of Scripture and lectio divina in the New Devotion movement; and the general role of Scripture in Thomas a Kempis's oeuvre.

White Picket Fences Amy Julia Becker 2018-10-02 A Gentle Invitation into the Challenging Topic of Privilege The notion that some might have it better than others, for no good reason, offends our sensibilities. Yet, until we talk about privilege, we'll never fully understand it or find our way forward. Amy Julia Becker welcomes us into her life, from the charm of her privileged southern childhood to her adult experience in the northeast, and the denials she has faced as the mother of a child with special needs. She shows how a life behind a white picket fence can restrict even as it protects, and how it can prevent us from loving our neighbors well. *White Picket Fences* invites us to respond to privilege with generosity, humility, and hope. It opens us to questions we are afraid to ask, so that we can

walk further from fear and closer to love, in all its fragile and mysterious possibilities.

Chronological Bible Reading Guide Jane Becker Weathers 2020-12-02 Chronological Bible Reading Guide presents the arrangement of events recorded in the Bible in sequential order to help us better understand how time flows through and joins, or occasionally separates, these sixty-six individual books. When seen in context with the historical, political, and religious settings, we can better understand the different lessons told in different styles and literary forms including poetry, prophecy and epistles as they are intertwined with history. These readings are grouped by chapter, and while this does not provide a perfect chronology (if that is even possible), it comes fairly close and helps retain some of the original authors' flow when switching between books. The daily readings provide a guide through the entire Protestant canon in one calendar year. Or

read at your own rate through God's word of truth. This guide is the result of more than a decade of personal study in Biblical history and fine-tuning the daily readings to maintain a consistent reading time. Invest 10-15 minutes a day to increase your faith and understanding of Scripture! "Faith comes from what is heard, and what is heard comes through the message about Christ" Romans 10:17. The word of God is "more desirable than gold—than an abundance of pure gold; and sweeter than honey, which comes from the honeycomb" Psalm 19:10.

Paul Jurgen Becker 1993-01-01 Jurgen Becker, one of the most respected German New Testament scholars, delves into the person, world, work, letters, and thought of Paul in order to provide a comprehensive and through study that answers both historical and theological questions. Imperial Visions Reinhard Gregor Kratz 2020-11-16 In recent years, an interest in empire(s) has emerged in Assyriology, Old Testament/Hebrew Bible Studies and in other areas of the study of the ancient world. Collaborative research projects are devoted to questions of empire and imperialism, and the prophets of Israel and Judah and the books named after them are explored as agents in the contexts of the

empires of their times. To some degree, all of this may be seen as a revival of the intense interest which the works of Oswald Spengler, Arnold Toynbee and Karl Wittfogel generated in the twentieth century, in historical situations very different from our own age. But then we too live in an age of transition characterized by insecurity and a lack of orientation and are driven to study the rise and fall of empires through the ages. The present volume, containing essays which are the fruits of the fifth meeting of the Aberdeen Prophecy Network, at the Lichtenberg-Kolleg of the University of Göttingen in October 2015, provides a distinctive perspective on prophecy in the context of empire. It is inspired by the fact that the book of Isaiah enables us to follow the vagaries of a particular prophetic tradition through five centuries under three different empires. The essays in the present volume focus on the history of composition of the constituent parts of the book of

Isaiah as well as their correlations with the political and cultural histories of the empires under which they were produced. The volume thus navigates some of the key points of the history of Isaiah and the book named after him. Secure in God's House Ann Weber Becker 2004

Fundamental Theology

Matthew L. Becker 2015-02-12
Introducing university students to the academic discipline of Christian theology, this book serves as an orientation to "fundamental theology" from a Protestant perspective by addressing issues that are preliminary and foundational to the discipline in the context of a liberal arts university. The book also sets forth what has traditionally been called a "theological encyclopedia", that is, a description of the parts of Christian theology that together form the discipline into a unified academic subject. Finally, the book examines the relation of Christian theology to the arts and sciences within the university and underscores the need for critical and

positive interaction with these other academic disciplines.

God's Magnificent Plan Connie Becker 2014-09-25 Like puzzle pieces falling into place as they form a picture, step by step a clear overview of God's magnificent plan for the salvation of humankind emerges, giving a deeper understanding of the Christian faith and why it works. The author shares her journey as age-old questions are answered: What happened that caused the need for a plan of

salvation? Why did God create Earth, and why does He allow it to continue to exist? What is so special about Jesus that He could die for the sins of all humankind? Why was His death a requirement for salvation to be accomplished? What takes place in the soul and spirit as we hear the gospel of Christ? What are the changes that occur in those who accept Jesus as their savior? What is the role of the Holy Spirit in the plan of salvation? Is salvation a gift or a work? Can a Christian lose his or her salvation?

The Holy Ghost and His Work Siegbert W. Becker 1977

To Be Made Well Amy Julia Becker 2022-03-15 How can we be made well? From hurting bodies and souls to hurting relationships and communities, it's clear that things are not as they should be. Some of us live with varying degrees of physical pain, and others of us harbor the emotional pain of loneliness, shame, and guilt. Looking at our culture more broadly, we see the harm of our social divisions and the

unyielding reality and impact of injustice and inequity. The gospels brim with stories of Jesus healing people, but what does that mean for us today? In *To Be Made Well*, author Amy Julia Becker weaves together her own story with reflections on biblical accounts of Jesus' healing work, providing fresh insight into both the nature of healing and the pathway to healing, then and now. This book is a powerful invitation to personal, spiritual, and social healing as we reconnect to our bodies and souls, to God, and to our communities. For anyone struggling with pain or loss, for anyone concerned about the things that divide us, this book goes beyond wellness and beyond miraculous physical transformations to explore how we can—personally and collectively—be made well.

Pauline Hermeneutics Kenneth Mtata 2017-03-01 Paul's letters are of crucial importance for Christian theology and church life. The way in which the apostle Paul critically reflected on the meaning of the gospel message in light of Scripture, the traditions, ethics and Christian faith and hope, has

had a significant and lasting impact on the Lutheran tradition. In this publication, the fourth and final in a series of LWF publications on biblical hermeneutics, renowned international scholars from the fields of biblical studies and systematic theology reevaluate to what extent twenty-first-century Lutherans can rediscover the Pauline paradigm of the "power of the Gospel" and hereby overcome ambiguous perceptions of the so-called "Lutheran reading(s)" of Paul. [Paulinische Hermeneutik. Die "Kraft des Evangeliums" erforschen] Die Briefe des Paulus haben eine grundlegende Bedeutung für die christliche Theologie. Besonders die lutherischen Kirchen sind dauerhaft davon geprägt, wie Paulus als Apostel die Bedeutung des "Evangeliums" im Lichte der Auslegung von Schrift und Tradition sowie der Konzeption frühchristlicher Ethik und der Explikation von Hoffnung und Glaube herausgearbeitet und interpretiert hat. Die vorliegende Anthologie schließt

einer Folge von vier LWB Publikationen zur biblischen Hermeneutik ab. International renommierte Bibelwissenschaftler und Systematische Theologen diskutieren, in welcher Weise lutherische Theologie im 21. Jahrhundert das paulinische Konzept von der "Kraft des Evangeliums" so wiederentdecken kann, dass ambivalente Vorstellungen von der sog. "Lutherischen Paulusperspektive" neu überdacht und überwunden werden können.
