**The Cooking Manual** Mark Peters 2023-03-07  
The Cooking Manual: Demystifying the Cooking Process and over 80+ Great Recipes has everything you need to know about cooking indoors and outdoors. As an entrepreneur, I have traveled and eaten/dined all over the world, and I have been cooking and creating my own recipes for over forty years. I cover all the kitchen accessories—types of knives, mixers, processors, and many other useful gadgets—and how to use them, also outdoor grills, smokers, and pizza ovens. This book also contains wine tables and information on basic herbs and spices, how they are best used, and the different cuts of meats (from cow, pig, lamb, and poultry), including a section on cooking terms. I have also

included pictures; I dislike cookbooks that don't show you what the food should look like. In my book, I have also included eighty-plus of my recipes that I created for friends and family from scratch, using fresh ingredients. In the recipes I basically create meals with drink pairings as well. So enjoy!

*The Frankies Spuntino Kitchen Companion & Cooking Manual* Frank Castronovo 2010-06-14  
From Brooklyn's sizzling restaurant scene, the hottest cookbook of the season... From urban singles to families with kids, local residents to the Hollywood set, everyone flocks to Frankies Spuntino—a tin-ceilinged, brick-walled restaurant in Brooklyn's Carroll Gardens—for food that is "completely satisfying" (wrote Frank Bruni in *The New York Times*). The two Franks, both veterans of gourmet kitchens, created a menu filled with new classics: Italian American comfort food re-imagined with great ingredients and greenmarket sides. This witty cookbook, with its gilded edges and embossed cover, may

look old-fashioned, but the recipes are just what we want to eat now. The entire Frankies menu is adapted here for the home cook—from small bites including Cremini Mushroom and Truffle Oil Crostini, to such salads as Escarole with Sliced Onion & Walnuts, to hearty main dishes including homemade Cavatelli with Hot Sausage & Browned Butter. With shortcuts and insider tricks gleaned from years in gourmet kitchens, easy tutorials on making fresh pasta or tying braciola, and an amusing discourse on Brooklyn-style Sunday "sauce" (ragu), *The Frankies Spuntino Kitchen Companion & Kitchen Manual* will seduce both experienced home cooks and a younger audience that is newer to the kitchen.
