The Paths We Choose Sully Erna 2016-04-19 With over ten million albums sold and multiple Grammy nominations, the hard rock band Godsmack has become one of the most successful groups of the last decade. The band's driving beats and searing lyrics have garnered widespread acclaim, while their well-known work ethic has earned the industry's respect. Fans who attend Godsmack concerts are sure to be rewarded with a fiercely energetic show. The force behind the band comes largely from founder and front man Sully Erna. Onstage, growling into the microphone with characteristic intensity, he appears perfectly at home, and it's no wonder. Erna has been immersed in the world of rock ever since he got his first drum set

at the age of five. Given his achievements, that early start might suggest that his career was a straight shot to the top. The truth is, Erna took so many detours during the years between his first drums and Godsmack's first contract that, more than once, he nearly forgot his destination. In *The Paths We Choose*, he relates the turbulent story of his life before the platinum albums and packed arenas. "The Lawrence I remember was full of murderers, thieves, and rapists and half the time those people were your next-door neighbors," Erna writes of his childhood hometown in the gritty Boston suburbs. Although the danger of the streets was a constant reality, young Sully's world really revolved around music. From the day he convinced his mom to pay for drum lessons, "beating the skins" was all he ever wanted to do. As he grew older, Erna began devoting all his energy to one band after another. Life as a marginally successful (and sometimes downright unsuccessful) musician was always

unpredictable, and Sully's good times were equally matched by his frustrations. He learned that talent and passion were not enough; he also had to know who to trust. Beautiful blondes attracted Erna like a moth to an open flame, and his affairs with them were intense and often unstable. Outwardly hardened, yet privately vulnerable, he couldn't open up. This, combined with his high-adrenaline lifestyle, seemed bound to catch up with him and did. Here, Sully delves with surprising sensitivity into the emotional struggles that almost forced him to abandon his ambitions. Musical fame was never a given for Sully Erna. He could easily have continued to be "just another punk on the streets." The extraordinary success he now enjoys with Godsmack only came by an unlikely combination of talent, sweat, lucky breaks, and hard falls. Any one of the decisions he made along the way could have brought him to a dead end. But that just might be the whole point. Sully's story shows us that whatever hardship we may face,

ultimately, our choices determine our destiny. He's made the most of every advantage and obstacle he has faced, and reminds us that we can, too. But for Sully, career success is not an ultimate destination. Every day brings a new fork in the road another path to choose.

DNS FIT KID Exercise Journal Eliška Urbářová

2020-03-25 DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and

movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

Once Upon a Scandal Madison Faye
2018-09-29 Once upon a time, a nobody met a prince. Then she met his best friend, a second

prince. Then she learned they like to share, and that's when things got interesting. That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b**ch in the Kingdom of Bandiff. But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them. The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs. Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen. Pretty soon, breaking into a royal ball is the least of my problems. This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle

of it....I'm right in the middle of them. Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickenning crowns. I've never found a happy ever after. Now, I think I'm about to find two of them. This is a standalone story. The books in the Royally Screwed series can be read in any order. Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it ;) . Get ready to have your cake and eat it two too! This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed.
