Hymns We Love Leader's Guide Steve Cramer 2023-08-01 Leader's Guide for those leading this evangelistic course that shares the good

news of Jesus with elderly people by exploring the Christian beliefs expressed in some of the nation's best-loved hymns. Older adults are the fastest-growing age demographic across the Western world, and yet there are few materials to support churches who want to help this older generation hear about God's love. Hymns We Love aims to fill that gap. It is a gentle outreach program which uses well-loved hymns to share the good news of Jesus and key truths about God's character in an accessible way. Many in this generation have grown up singing these hymns at school, church, or Sunday school, and they have therefore proved to be a non-threatening and accessible way to connect with seniors and help them to engage with the gospel. The series comprises five video sessions. Each one tells the story of the hymn writer, how the hymn came to be, and the Christian message behind it. Across the five sessions, Hymns We Love will help bring the core truths of the Christian

story alive in a way that is gentle, warm, and clear. The video sessions also feature beautiful renditions of the hymns, filmed in a historic English village church, along with testimonies and prayers. There are also three introductory sessions: for Christmas and for Easter, and a third which can be used at any time of the year. This Leader's Guide will equip you to lead this enjoyable ministry outreach program that reaches out to the older people in your community.

Bracelet WARNING: CHOKING HAZARD--this contains a small part, small ball or marble. Not for children under 3 years. Senior Outreach Dr. Dewey E. Painter Sr. 2020-02-20 Senior citizens continue to be a forgotten frontier in evangelism and local church outreach today. When I first wrote this guide in 1982, it was the product of starting seventeen senior citizens' outreach programs in local churches in Northeast Florida and Southeast Georgia. The vision to see more churches see the value of reaching their senior citizens and providing a faith-based fellowship for them was our inspiration then and remains now that local churches see a vision for these special people. Sad to say, this is not the case. Having a senior citizens program in the local church can be one of the least expensive and most meaningful outreach of the local church or community association. It requires space, little funding, a dedicated leader, and volunteers, and it can be one of the least costly programs that

can be put on by the local church. It is easy to do and easy to manage. The need for a direct and specific program orientated toward seniors in the local church has never been greater than it is today. People are living longer. This is every growing field that truly is white unto harvest. With the changes in our society, increased life expectancy, increase in birth control, and now the wholesale slaughter of unwanted children (called abortion and sometimes birth killing), we are seeing the senior citizen population increasing.
