From This Moment On Bella Andre 2013-07 Marcus Sullivan has always been the responsible older brother, stepping in to take care of his seven siblings when their father died. But when the

perfectly ordered future he's planned turns out to be a lie, Marcus needs one reckless night to shake free from it all. Known throughout the world by only one name--Nico--pop songstress Nicola Harding is seen as the ultimate sex kitten. But it's all a lie. After a terrible betrayal she refuses to let anyone else close enough to find out who she really is...or to hurt her again. Especially the gorgeous stranger at the bar. One night is all Nicola and Marcus agree to share with each other. But instead, a deeper connection than either of them could have anticipated begins...

Hammered Lili Valente I didn't mean to kidnap the groom. It was an accident. Mostly... At least I didn't take much time to plan it. It was more of a spur of the moment kidnapping. Does that count? One minute, the town's bad boy is standing at the altar about to marry the world's most evil kindergarten teacher. The next, he's passed out in my Vespa sidecar with his bride hot on our tail. But I didn't have a choice! I couldn't

stand by and watch Jace O'Dell be blackmailed into a loveless marriage. And besides, what's a little kidnapping between friends? Okay, so maybe we're not just friends... And maybe I can't quit thinking about that night at his bar when he closed up early and had me on the rocks. And maybe this crazy stunt is going to blow up in both of our faces. If it does, I'm blaming the moonshine. Even though the only thing I'm hammered on when it comes to Jace is love—straight up, no chaser.

Untouchable Darkness Rachel Van Dyken 2015-12-29 To love a Dark One is to invite death... It is wrong to love her. It is worse to want her. It is sin to consume her. I desire all three. I've been given thirty days to prove my love to another immortal--as a human. Cursed to use nothing but the side of myself I've always despised to win her affection. I am Cassius, the King of the immortals, A Dark One. And today I tasted fear for the first time. How can I win her when my human emotions overtake every ounce of logic I possess? A darkness is brewing. One I cannot stop as a human. One that

Stephanie, my love's visions,
have shown will be my end.
Thirty days ago I was King of

die. By her hand. The woman I

Principles of Asynchronous Circuit Design Jens Sparsø

2013-04-17 Principles of Asynchronous Circuit Design - A Systems Perspective addresses the need for an introductory text on asynchronous circuit design. Part I is an 8-chapter tutorial which addresses the most important issues for the beginner, including how to think about asynchronous systems. Part II is a 4-chapter introduction to Balsa, a freely-available synthesis system for asynchronous circuits which will enable the reader to get hands-on experience of designing high-level asynchronous systems. Part III offers a number of examples of state-of-the-art asynchronous systems to illustrate what can be built using asynchronous techniques. The examples range from a complete commercial smart card chip to complex microprocessors. The objective in writing this book has been to enable industrial designers with a background in conventional (clocked) design

to be able to understand asynchronous design sufficiently to assess what it has to offer and whether it might be advantageous in their next design task.

Death Waits in the Dark Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a

member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
